My dear friend,

How have you been recently? I haven't seen you for quite some time. There are so many things I want to tell you but I don't know where I should begin. Hope to see you in person. So, why don't you come and visit me for a couple of days? I want to show you here and there around my neighborhood. When you come, we will hike in the hills or walk on the beach, talking to our heart's content. I'm sure we will have a lot of fun. Just e-mail me or give me a call to let me know when you will come. Look forward to seeing you soon.

Anne

41. What kind of letter is it?

Spending a lot of time using computers can hurt your eyes. Many people may look at the screen for hours without taking a break. They will find that not only their eyes sore but also their eyesight deteriorates in no time. It is important to take good care of your eyes when using computers. Therefore, a few tips are suggested to look after your eyes. First, set an alarm of 45 minutes or an hour to remind you to get away from the computer screen for 5 to 10 minutes. Do anything that gives your eyes some rest. Stand up, get away from your chair, drink some water, or go to the rest room. Second, massage around your eyes. Close your eyes, relax the muscles, and massage them for 3 to 5 minutes. It is preferable to put a hot towel over your eyes to soothe them. Finally, take a daily multiple vitamin and mineral supplement to improve your eyesight. Regarding this point, you may consult with your physician.

46. What is this passage about?
(A) Not to use computers (B) Going to a doctor
(C) Massage our body (D) Taking care of our eyes
47. What happens to our eyes after hours of staring at the computer screen?
