**(IV): Read Brenda's composition. Then choose T (true) or F (false) for each statement. 16%**

There are five people in my family. My brother is older, and he works as an engineer. He got married a little while ago and moved to Tainan. My sister is several years younger than I am. She's still in high school and lives at home with my parents. My mother didn't work when I was a child, but now she's teaching part time. My father is a businessman. He works for a large international company and travels a lot for his job. In fact, he's probably travelling somewhere right now. I left home two years ago to go to college, and I'm living in a different city. But I still go back on vacations to visit my parents. I think they're both wonderful.

- \_\_\_\_\_ 1. Brenda has one brother and one sister. (T/F)
- \_\_\_\_\_ 2. Her brother lives in the same city as her parents. (T/F)
- \_\_\_\_\_ 3. Her mother isn't working right now. (T/F)
